SIR

Adverting to your letter No L 5386 dated 23rd December 1941 calling for a report in respect of the flying of green flags in the open space in the new Extension near the Railway crossing on the way to Seshadripuram and Malleswaram and in front of the Annamma temple in the City, I have the honour to state that there was a short wall of about 3 feet round the Darga in front of Annamma Temple One Abdul Gaffoor raised it by another 3 feet, so as to put up a roofing He is prosecuted and convicted When the departmental action was going on, the party pulled down the roofing and a portion of the wall In view of this, no further action is reported to have been taken

As regards the green flag, the Municipal Engineer removed it from one of the sites in Subedar Chatram road and as sites are going to be formed on the land on which the flag is flying, the same will be removed

The Health Officer has been requested to take immediate steps for the removal of these encroachments and to submit a report

The enclosures in original sent under reference are returned herewith

I have the honour to be,

Reference - C C 289/41-42 dated 18-1-41 from the District Superintendent of Police, Bangalore City, calling for a report on the articles appearing in 'Viswakarnataka' in its issues dated 16-10-1941 and 19-10-1941

To A C 1316/41-42
Encls 12 only

Submitted

Beg to report, that there are two green flags, flying one on the Maidan opposite to Annamma Temple in the enclosure at Subedar Chatram Road and another, on the western side of Seshadripuram Road, near M & S M Railway Crossing

The Sub Inspector of Police, A 2 Ulsoorgate Police Station reports, that he enquired of one Abdul Gaffoor, s/o Sheik Hussein and learnt from him that the Flag flying in front of Annamma's Temple and its surroundings was the grave yard of Muslims, and this particular enclosure was the 'Gadi' of Syed Adam Shah Khadri He, (Abdul Gaffoor) came to this place from Aligarh side, about 30 years ago and that his 'Nika' took place in this very place and he got issues He thereupon, loved this place and engaged himself in cleaning and taking care of the premises since then About three years ago, he raised a small subscription from the public and got the compound walls erected During Moharum and other festivities, he used to obtain licenses from the authorities concerned in his name, to conduct processions There has been correspondence between himself and the Municipality and the papers produced by him are enclosed From the enquiry, it is learnt that the place does not belong to any particular person nor is anybody paying assessment for the same

Sub Inspector of Police, A 3 Malleswaram Station reports, that a "Green Flag" is flying on the western side of Seshadripuram near the M & S M Railway level crossing It is gathered from the report of the Sub Inspector that one Abdul Rahiman, s/o Batcha Mia, Shop-Keeper, old sawar lines, Seshadripuram, stated that this

this "green flag" existed formerly in Laskhmiah's Choultry in Subedar Chatram Road for the last 60 or 70 years in the name of their Guruji "KHADER VALLI" As per their caste system, the Muslims were performing 'Urus' every year in the said Choultry and they had their Ashurkhana in the said locality where they were keeping Panjas during Moharam festivities and were performing their religious ceremonies from times immemorial The Municipality acquired the said Choultry and its surroundings to form an extension The Municipality having acquired the said place, located the present place for the purpose and the same was removed to this place about four years back Syed Hussein, s/o Syed Khader - Merchant - Resaldar Street, Seshadripuram and Imam Khan, s/o Hussein Khan - Seshadripuram, Bangalore City, and Mohamed Ghouse, s/o Mohamed Hyder - Musavar Police Lines, Bangalore City, corroborated the statement of Abdul Rahiman and stated that Mr Narasinga Rao - the then Municipal Engineer was the person who pointed out the place

Abdul Rahiman produced a copy of the petition dated 12-9-38 addressed to the Government of Mysore from the Muslim residents of Subedar Chatram Road, Bangalore City

None of them are able to say who hoisted the flag but they can only say that they were hoisted by some Mohamedans The significance of the "Flag" is ascertained to be a mark of respect and commemoration of their Saint Khader Valli

From the enquiry it is seen that there was correspondence between the Municipality and the persons referred to above since a long time Hence I request that the matter may kindly be referred to Municipal authorities for further details
